**REQUESTS: Existing Category D (Complementary Medicines) Registration Applications  
(07 October 2021)**

**COMPLEMENTARY MEDICINE APPLICATIONS SUBMITTED FOR  
REGISTRATION**

**To all stakeholders**

The corresponding stakeholder notice dated 07 October 2021 regarding the opportunity to update online the application details and/or the submission before review refers.

A further opportunity to resubmit an existing application on the CM portal is made in Phase 2 which is foreseen to extend to 31 July 2022.

SAHPRA invites all applicants who have applications for medicine registration in the evaluation process, to visit [www.sahpracm.org.za](http://www.sahpracm.org.za) – Applications – Medicines – Request: Existing Cat D (CM) Registration Applications and complete/provide the required information online

Confirmation of the respective phases are:

Phase 1: 07 October 2021 to 28 February 2022

Phase 2: 01 March 2022 to 31 July 2022]

Applicants who made requests in Phase I may expect to receive initial assessments as from mid March 2022.

Any application in the review process without a request to participate in this process will be assessed following the conclusion of Phase 2 assessments.

Your co-operation to facilitate the finalisation of the submitted applications for the registration of complementary medicines is greatly appreciated.
